TEXTILE EXHIBITIONS IN BORÅS 18.11. 2023.

The Swedish Museum in Textile, Open Saturday 12-16, <https://textilmuseet.se/fi>

- ❖ **Printed Positions/ Mönstrade Positioner** I utställningen Mönstrade Positioner presenteras mönster för mode och inredning av 14 nu verksamma nordiska formgivare på en yta som låter praktiker, idéer och mönster krocka i en ögonblicksbild av dagens textila mönstervärld. Fokus ligger på olika trycktekniker, men även tekniker inom väv och handmålade mönster finns representerade bland verken. Många av utställarna arbetar dessutom gränsöverskridande i andra material inom sina konstnärliga praktiker. *Medverkande utställare: Daniel Palillo, Edda Gimnes, Henrik Vibskov, Ingrid Berg, Klaus Haapaniemi, Liselotte Watkins, Lovisa Burfitt, Margrethe Odgaard, Martin Bergström, Patrik Söderstam, Reeta Ek, Thóra Stefánsdóttir, Tronhjem Rømer, Tuuli-Tytti Koivula* <https://textilmuseet.se/en/exhibitions/exhibitions/2023-07-04-printed-positions>
- ❖ **Textile Power – the textile industry: here, there, then and now/ Textil Kraft**
As part of the new permanent exhibition about the textile industry, visitors experience an exciting story, extending from the societal transformation of industrialisation to the innovation environments of today. The exhibition is a dramatic staging of the local development of Borås and the Sjuhärad area, reflected in the conditions that mould the mass production of today in foreign countries.
